

2016-17

Loyola College, Vettvalam – 605 754

Department of Commerce

MENTOR REPORT

I B.Com

The following points were observed from the students (2016 batch) during their 1<sup>st</sup> year

**Observation**

- The students were very happy during the mentor system.
- They introduced themselves and their family.
- Some of the students were afraid to introduce themselves. Most of them were open minded to me.
- We advised them to behave with others and we told that rules and regulation of the college. Then we guided them how to study the subjects.
- Most of students of the family background is very poor.
- Some of the student were lack of communication skills.
- Majority of the students were first graduate in their family.

**Students are expecting.**

1. Special classes those who are weak students
2. College fees concession for deserving the students.
3. Many students are expected mid - day meals.
4. Part time job, it will be helped to their studies.

**Suggestions.**

1. Observation time is not enough so increase at least 30 minutes.
2. If we conduct mentor system regular intervals definitely we give better Output.
3. To increase number of part time job in our college campus.

## MENTOR REPORT

II B.Com

The following points were observed from the students (2015 batch) during their 2<sup>nd</sup> year

### Observation

- We welcomed them with grateful heart. Then we started to explain the guide lines of mentoring sessions.
- First, we gave the mentoring form and we help them to fill the form.
- We explained college rules and regulation, discipline, importance of attendance, using of library.
- We asked the students to introduce about their families. Some of the students are very open minted.
- They shared their difficulties to understand the subjects, and Lack of Communication Skill.
- Some of the students are very poor in academically as well as economically.
- Most of students are like Mentor system.
- Students should follow Current updating Knowledge.

### Students are expecting.

1. Special classes those who are having arrears in accounting paper.
2. Campus interview for every year.
3. College fees concession for all the students.
4. Many students are expected mid - day meals.
5. Part time job, it will be helped to their studies.

### Suggestions.

1. Observation time is not enough so increase at least 30 minutes.
2. If we conduct mentor system regular intervals definitely we give better Output.
3. To increase number of part time job in our college campus.

## MENTOR REPORT

### III B. Com

The following points were observed from the students (2014 batch) during their 3<sup>rd</sup> year

#### Observation

- The students and myself were very happy during the mentor system.
- They introduced themselves and about their studies, then We evaluated about their studies and I ask them how many papers were arriers. Some of the students were told that due to family background so they could not concentrate on their studies and also they shared their difficulties to understand the subjects.
- We guided them to study well.
- We asked our mentor student to encounter me daily to focus special attention on their studies.
- We gave instruction among them how to prepare themselves for competitive exam. They have opened mind with us.

#### Students are expecting.

1. Special classes those who are having arrears papers.
2. Campus interview for every year.
3. College fees concession for all the students.
4. Many students are expected mid - day meals.
5. Part time job, it will be helped to their studies.
6. Commonly expected job opportunities after their course completion

#### Suggestions.

1. Observation time is not enough so increase at least 30 minutes.
2. If we conduct mentor system regular intervals definitely we give better Output.
3. To increase number of part time job in our college campus.
