MENTOR REPORT

I B.Com

The following points were observed from the students (2017 batch) during their 1st year

Observation

- The students were very happy during the mentor system.
- They introduced themselves and their family.
- Some of the students were afraid to introduce themselves. Most of them were open minded to me.
- We advised them to behave with others and we told that rules and regulation of the college. Then we guided them how to study the subjects.
- Most of students of the family background is very poor.
- Some of the students were lack of communication skills.
- Majority of the students were first graduate in their family.

Students are expecting.

1. Special classes those who are weak students
2. College fees concession for deserving the students.
3. Many students are expected mid - day meals.
4. Part time job, it will be helped to their studies.

Suggestions.

1. Observation time is not enough so increase at least 30 minutes.
2. If we conduct mentor system regular intervals definitely we give better Output.
3. To increase number of part time job in our college campus.
