

National Service Scheme (NSS)

The Unit of NSS in our College is yet to take off even though students show much interest. In spite of repeated requests the Thiruvalluvar University has not yet sanctioned any Unit to our College. I have not given up hope. However, the Students of NSS Unit engaged themselves in tree planting and cleaning the campus. They had also participated in anti plastic rally jointly organized by Amaithi Trust and Vettavalam Town Panchayat at Vettavalam on 03 Feb 2012. The Panchayat President appreciated the students of Loyola College and generously offered refreshments. On behalf of the Panchayat, he presented an appreciation letter to the college. I thank Prof Rex Augustin Raj for giving life to the NSS in our College.
