

Eco Club

Objectives of the Eco Club

- To impart awareness and values related to Environment.
- To make our College campus green and clean.
- To motivate students and promote tree plantation in the surroundings.

The activities of Eco Club of our College for the academic year 2012-2013 took off with the Blessings and Guidance of Rev. Fr. J.M. Das, S.J. our Principal.

Prof. Roseline Mary took charge as the Programme Officer and Mr. Akash (III BBA) as the Secretary of the Eco Club.

Activities of the Eco Club

- In collaboration with other Service Organisations, the Eco Club organised the Republic Day Celebration on 26th January 2013. Thiru. Gabriel Mariaswamy, Captain, Indian Air

Force (Retd) presided over the function. At the end of the programme he planted saplings in the College premise. Following his footsteps, Prof. Roseline Mary and the members of the Eco Club planted 60 saplings in the area adjacent to ARULALAYA.

- A lecture on 'Environmental Awareness' was organized by the Eco Club on 12th March 2013. Mr. Naganathan, District Forest Officer, Tiruvannamalai was the Resource Person of the lecture. He appreciated the works carried out by Loyola College by planting more than 5000 plants supplied by the Government of Tamil Nadu. He emphasized the need for planting more trees in the neighbourhood and protect the environment against global warming and degradation of nature.

- The Eco Club has initiated the process of maintaining the existing plants in the campus by involving student volunteers as well.

- The members of Eco Club extended their generous services in the Annual Sports Meet and Loyo Fest 2013.

Conclusion

With the help of management, teaching & non-teaching staff members and active involvement of eco club students, we have done the works well in this academic year. We assure that the eco club will do the more activities in forth coming academic year. We thank the management for giving supports.
