PLEDGE

"India is my country;
All Indians are my brothers and sisters
I love my country, and I am proud
of its rich and varied heritage.
I shall always strive to be worthy of it.
I shall give my parents, teachers and
all elders respect and treat everyone with courtesy.
To my country and my people, I pledge my devotion;
In their well-being and prosperity alone lies
my happiness".

LOYOLA COLLEGE

History:

Loyola College, Vettavalam, started in the academic year 2009-2010, was a pioneering initiative of the Jesuit Madurai Province to develop and strengthen the Jesuit Chennai Mission in the northern parts of Tamil Nadu. The target group of the College is the rural poor, the first generation learners, the marginalized, the Dalits and the women of the region to educate and empower them. To render this noble service, the Jesuits have chosen this area surrounded by villages and rural poor. While Fr. M. Devadoss, S.J., the then Provincial of Jesuit Madurai Province, and Fr. A. Victor, S.J., the then Superior of Chennai Mission gave the green signal, Most Rev. Dr. P. Soundararaj, Bishop of Vellore welcomed the Jesuits to start the College in his diocese. Fr. R. Arockiaraj, S.J. identified the land, Fr. Maria Joe, S.J., the Mission Treasurer, teamed with Fr. Francis P. Xavier, SJ, Director, LICET took interest to raise the fund and Fr. H. Ignatius Amalraj, S.J. and his team raised the necessary infrastructure. The Government of Tamil Nadu through its G.O. Ms No. 164 Higher Education (EI) Department dated 4th June 2009, granted approval for starting the Loyola College of Arts and Science as a Self-Financing Co-Education College. The Thiruvalluvar University, Vellore granted affiliation to Loyola College on 24th June 2009 (Ref. No. A. 928). The College started to function from 15th July, 2009 with 195 students, distributed to five Under Graduate Degree Courses (English, B.Com., BBA, BCA and B.Sc Computer Science). The official inauguration of the College took place on 31st July, 2009, the feast day of St. Ignatius of Loyola, the Founder of the Society of Jesus and Patron of Loyola College.

OUR TRADITION

The Name 'LOYOLA'

'LOYOLA' is the family name of St. Ignatius of Loyola. He was born in the ancestral castle known as LOYOLA in 1491 in Spain. St. Ignatius was a man of great ambition and he served as a soldier in the army and hoped to gain name and fame from the King of Spain. He enlisted himself in the border wars with France and was badly

wounded in a battle at Pamplona in 1521. As he lay convalescing at his Loyola castle, he read the Gospel narratives (Imitation of Christ) and the Lives of Saints and was inspired by the heroic Lives of the Saints. To follow Christ and to serve Him alone, he decided to give up all worldly ambitions and embraced a life of poverty, simplicity and service after the example of the saints. He began a new life at the age of 31. He spent a year of severe penance and intense prayer in a solitary cave on the banks of the river Cardoner near the town of Manresa in Spain. He recorded all his experiences in a book which came to be called the "Spiritual Exercises" of St. Ignatius. This book is considered as the spiritual centre and the source of inspiration for all his followers. He then went to Paris to receive university education and while studying in Sorbonne University, St. Ignatius motivated his companions and room-mates and with them he established the Society of Jesus in 1540. One of his companions was St. Francis Xavier who came to India in 1542 and established the Jesuit presence and history in the country. The members of the Society of Jesus are popularly known as "Jesuits".

The Jesuits:

The Society of Jesus is a world-wide organisation of religious men, numbering about 18,000, spread all over the world, of whom over 4000 are working in the 18 Jesuit Provinces of India. In Tamil Nadu alone, there are around 500 Jesuits involved in Schools and Colleges, youth services and social work centres, in parishes and in mission stations and in almost any and every form of service and ministry of the Church.

Jesuit Higher Education

Jesuit Higher Education in Madurai Province, Tamil Nadu today draws its inspiration from the two epoch-making statements, namely, the “Vision Statement” and “Preamble to Jesuit Higher Education”, that originated in the Madurai Province Meet of 1985.

Excerpts from the Vision Statement

“We understand that the contemporary equivalent of the mission of salvation is the integral liberation of man which is crystalised for us today in an ardent desire to work towards liberation together with the poor”.

“The preferential option for the poor means that we cast our lot with them through concerted social action. Our love is, indeed, for all human beings, but it assumes different forms. We love the oppressed by espousing their cause and we love the oppressor by emancipating him from his greed and domination which dehumanizes him”.

Excerpts from the Preamble to Jesuit Higher Education

“Our educational institutions will shape our students into agents of social change, preparing them for concerted social action and thus paving the way to mass

movements which will bring about the desired liberation”.

“They will, in their admission policies, actualise our preferential option for the poor by “giving a privileged place to the weak who are poor economically and academically and form them as men for others”. Stamped with Ignatian hallmark of excellence and relevance, “they will change the existing educational system into reorienting it in order to respond to the crying needs of arts, sciences and relevant pedagogy which would help them build a just social order”.

Loyola College - Goals and Objectives:

The primary aim of Loyola College is to provide University education in a Christian atmosphere to deserving students, especially those belonging to the Catholic Christian Community. Although this College is meant primarily for Catholics, it will not discriminate students belonging to other religions. The College is committed to admit students irrespective of caste and creed. The College aims at training young men and women of quality to be leaders in all walks of life and to serve their fellowmen in justice, truth and love. It is expected that this training would play a vital role in bringing about the desired change for the betterment of the people of our country, more particularly the poor and the marginalized sections of society, namely, the Dalits. Further it will foster an atmosphere of intellectual vigour and moral rectitude in which the young men and women of our country may find their fulfilment and achieve greatness as eminent men and women for others.

The Coat of Arms:

The Coat of Arms of the College consists of a shield divided into four quarters with a torch and an open book motif. The crest is the monogram and seal of the Society of Jesus - IHS, being the first three letters in Greek of the name, JESUS. The open book and the burning torch stand for the education imparted in this College, which challenges the students to live up to the College motto: LUCEAT LUX VESTRA, which means, LET YOUR LIGHT SHINE (Mathew 5:16). The Students of the College by their learning and good behaviour will become shining light and good example to others.

Vision of the College

Loyola College vibrates with the vision of forming young men and women who will serve others with fine qualities of Compassion, Competence and Commitment. The triple expression of this Vision of Loyola is gradually being realised through its triple goals: "Educate, Empower and Employ".

Affiliation

Loyola College, Vettavalam is affiliated to the Thiruvalluvar University, Vellore. GENERAL INSTRUCTIONS

Admission to Loyola College is no guarantee for a degree unless students are ready to put in serious and strenuous efforts and utilize the facilities offered for their overall integral development. Internal tests, Continuous Internal Assessment (CIA) will be held at regular intervals and Semester Examinations will be held at the end of each semester in accordance with the rules and regulations of the Thiruvalluvar University, Vellore. Attendance is compulsory and promotion of students will depend upon their regularity and discipline. Students are strongly encouraged to take additional Diploma/ Certificate courses offered by the College relevant to their subject of specialization during the course of their study.

CIA COMPONENTS

The Semester Examinations conducted by the Thiruvalluvar University carry 75 marks. (External). The other 25 marks (Internal) are carried by the following five specified components during the course of the semester.

S.No	Component	Portion	Duration	Test conducted for	Marks to be
			1 hour & 30 minutes		calculated for
1	CIA Test I	Units I & II		50 marks	5
2	Model Exam	Units I, II, III, IV & V	3 hours	75 marks	10
3	Assignment or Seminar or any such other activities	Syllabus related		-	5
5	Attendance			-	5
				Total	25

ATTENDANCE

Attendance is obligatory in the College. Keeping with the Jesuit tradition in higher education, Loyola College emphasizes a minimum of 85% attendance from every student to become eligible to appear for University semester examinations. Students, if they are sick, they should produce valid medical certificate immediately after their sick leave when they resume attending classes.

In the calculation of attendance, the following method is adopted for marking absence. The absence of a student from the class in the college is marked thus:

- * If a student is absent either in the First Session (before break) or in the Second Session (after break), he / she will be marked absent for half a day.
- * If he /she is absent for two hours on the same day in two different sessions (before & after the break), he / she will be marked absent for the full day.

All public holidays are treated as holidays for the College, which are indicated in the College calendar. Depending on the need, the College will be working on Saturdays unless otherwise mentioned.

LEAVE

Students who require leave must apply, in advance in the prescribed form available in the College Office and submit the form to the Vice Principal. The application form for leave must be countersigned by the parent or guardian in attestation of the reasons for which leave is sought. If a student is absent without leave, his/ her absence will immediately be reported to his/her parents and disciplinary action will be taken. Continued absence without leave

will render a student liable to have his/her name struck off the rolls. Necessary exemption may be given for absence on medical grounds, provided proper medical certificate is presented to the Vice-Principal in the specified leave application form immediately after the student returns to the class.

SPORTS AND GAMES

Students are encouraged to take active part in the various Sports/Games activities provided by the College to enable their healthy growth and personality development.
