DEPARTMENT OF ENGLISH

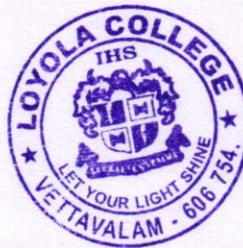

BRIDGE COURSE REPORT 2018-2019

A bridge course provided to the first UG around 450 students the opportunity to grow and learn about themselves as an educator and as a person. It has enhanced the level of students' confidence. The bridge course is primarily focused to benefit the slow learners and focus on the pupil with different learning abilities. The schedule for the course is framed in such a way that the students became English fluently. It consider as supplementary knowledge that can be provided to the students to import basic knowledge to them, about the advanced subject that will be taught to them in the upcoming futures.
