## DEPARTMENT OF ENGLISH

### BRIDGE COURSE REPORT 2019-2020

A bridge course is initiated by the Department of English for newly admitted students in UG Degree Programme. Around 500 students are admitted in our institution for the academic year 2019-2020. The Bridge Course gives an opportunity for the students to know about the new environment where they have been joined for their higher education and supports the students to grow and learn about themselves as an educator and as a person. It helps the students to have more confidence and come out from their fear in higher education. It also helps the faculties to find out the slow learners and focus on the pupil with different learning abilities.
